JUNE 2019 | ISSUE 6 | VOL 2

IT'S OUR BIRTHDAY MONTH!

Gymnastics USA started on June 14, 2014. This year we are proud to say we are the largest gymnastics facility by the square feet and enrollment numbers in the state of Florida! We have served the Winter Garden area for 5 years! Half a decade! Time flies when you are having fun and working hard!

We would like to thank all of the clients and staff who continued with us as we grew to where we are today. It has certainly been a journey of progress! Here is to 5 more years of the Positive Approach!

Check out some photos below from 2014, hard to remember the way things were back then!
